

MENOMINEE RIVER RAFTING

Check-in at the Wildman Adventure Resort

Menominee River Outpost

N22200 Bomber Road | Niagara, WI 54151

DESCRIPTION:

The world class Menominee River provides the whitewater enthusiast with some of the largest volume rapids in the midwest, with characteristics similar to those found on the Colorado River. Due to the size of these class IV rapids, we run our big water 6-10 person rafts with a guide in every boat. Menominee River trips are based at the Menominee River Outpost, a scenic drive from the Peshtigo River Outpost.

The river trip begins as a at flat water paddle along the gorgeous 200-foot cliffs bordering Michigan and Wisconsin. Down river you will encounter the famous rapids of Piers Gorge. We will have a second boat positioned just above the rapids. After we shoot the rapids, we take a short hike back to the top of Piers Gorge and run the rapids again with the second boat. Younger children and the less adventurous individuals will enjoy the entertainment from the cliffs, where they can observe the others in their group running the rapids of Piers Gorge. These individuals will rejoin their group following the rapids.

The more adventurous people in the group can choose to the Wild Ride which takes place in a 3- 4 person raft. The smaller raft creates a more thrilling ride and includes three runs through the gorge.

All river trips include approved life jacket, helmet, paddle, transportation, safety orientation and guide services.

WHAT TO BRING:

On warm days, wear swimwear and sneakers or river shoes (no flip-flops or bare feet). On cooler days you will need a windbreaker, or synthetic pullover (try to avoid wearing cotton). Wetsuits, paddle jackets, booties, and gloves are available to rent.
